

Daily Staff Meeting

Friday, 18 May 1951

There was discussion of [] and whether he could contribute to the work on psychological warfare and the decision was that he could not.

25X1

It was reported that [] had been obtained on an agreement with the Navy wherein it would be returned to them on D plus nine months.

25X1

There was general discussion of the National Security Council Intelligence Directives that were required; Mr. Reber not being present at the moment no action was taken.

Mr. Reber arrived late to report on IAC action for the previous day which included approval of the estimate on Chinese Communist vulnerability; discussion of the Watch Committee; and approval of the NSCID for O/RR.
